

COMPANY PROFILE 2023

Livingwood is a knowledge based firm providing value oriented services to people and organizations.

4 Years of continuous service and still counting,
one of the best corporate training, resourcing
and consulting companies in Kenya.

ABOUT US

Livingwood is a knowledge based firm that provides training, consulting, and resourcing solutions for people and organizations.

Founded in 2020, Livingwood has leveraged many years of experience in consulting, corporate recruiting, training staff to help companies build dynamic teams, develop exceptional leaders, increase sales and profits, build and maintain excellent customer relationships, improve on organizational efficiency and productivity, foster a safe, stress-free and harmonious workplace.

All of our fully-trained members of staff are fully vetted, uniformed, supervised and professional; ensuring our service meets and surpasses your expectations for each and every Consultation. Each member of staff is a valued member of the team and have access to a daily helpline for any support.

We pride ourselves on perfectionism and going the extra mile to make sure that our own high standards are continually met again and again.

OUR VISION

To be the leading firm providing industry specific capacity enhancement in Africa.

CORE VALUES

What do you do when no one else is looking? Our teams act with integrity and honesty, and focus on putting ourselves in the shoes of others.

OUR VALUES

To give real service you must add something which cannot be bought or measured with money, and that is sincerity and integrity.

● Dynamism

We are in an ever changing environment. It is through being open minded and dynamic in our thinking that we empower people for today and tomorrow. we believe that people have the vast potential if only they believe in themselves.

“ Iron rusts from disuse; stagnant water loses its purity and in cold weather becomes frozen; even so does an action sap the vigour of the mind.” Leonardo da Vinci

● Customer Centricity

Our solutions development model involves comprehensive analysis of the customer's industry, business needs and challenges and aligning these with the right resources to guarantee optimal return on investment.

"Strive not to be a success but to be of value." Albert Einstein

● Innovation

At Livingwood, we believe in the ability of new developments so to be in a competitive in the ever changing dynamics in the market primarily for the benefit of our customers.

● Excellence

We pride ourselves in delivering valuable solutions through value based solutions & internationally recognized partners.

"Excellence is not a skill, its an attitude."
Ralph Marlston

● Integrity

At Livingwood we are truthful to ourselves and to our customers

"It's more important to do the right thing than to do things right." **Peter Drucker**
